Charges for artwork created by our design team start at \$85. and include two revisions. There will be an additional charge for ongoing revisions.

**Packaging:** For custom wrappings, we source ribbons (some which can be imprinted), trims, assorted charms etc. and gift pouches as requested to coordinate with the look your event. Additional charges apply based on our vendors' fees. Shipping and handling is extra.

Because our product is handmade to order for ultimate freshness, we do not have stock items. Our Classic toppings include semi-sweet mini chocolate chips, chopped peanuts, rainbow sprinkles and shredded coconut. Single colored sprinkles may be substituted. Individually wrapped, they are \$4.00 each. \$3.85 unwrapped in bulk. Resellers please contact [andi@ThePerfectPresent.net](mailto:andi@ThePerfectPresent.net) for prices.

Custom S'more Smoochies™ start at \$4.00 for various themed and shaped sprinkles. Themed sugar lay-ons, gum paste flowers, royal icing flowers, crystallized rose petals and violets range from an additional \$0.10 - \$8.00 per decoration used on each individual S'more Smoochie™ based on our suppliers pricing.

Some of the gum paste flowers are so beautiful and realistic they can be coordinated with the actual flowers at your event.

**Toppings on the site:** Given the endless range of decorative edibles, these are by no means the only ones available. As you will note, there are a number of themes listed and within each theme, there are many available options. Upon choosing your theme or color scheme, several options will be made available which will work within your budget and the casualness/formality of the event.

**More than one topping:** Do you envision something in particular? We are happy to try anything for our clients as long as we can retain the quality of our product. Depending on the toppings, charges of \$0.10-\$8.00 will apply.
